

ENVIRONMENTAL POLICY

To protect the environment and minimize our environmental footprint in the areas Trigent Solutions Inc. operate in collaboration with our employees and contractors. This policy applies to all employees, contractors, products, services and sites under our operational control.

Trigent shall:

- Adhere to high standards to protect the environment where we do business.
- Strengthen our business by integrating environmental considerations into all business activities.
- Meet or exceed our regulatory obligations.
- Analyse and improve the way we do business to reduce environmental risks and impacts.
- Continuously improve our environmental performance through developing and reviewing effective management systems, measurements and targets.
- Share our environmental objectives and commitments with employees and contractors, minimize the risk of environmental incidents.
- Respond quickly and effectively to environmental incidents from our operations.
- Contribute to research and adaptation to new technologies that improve environmental outcomes.
- Use resources and energy efficiently, minimising emissions and waste.
- Educate our employees, our contractors and suppliers and hold them accountable for complying with this policy.
